Heavy Duty Platter Racks

Maximizes Platter Storage and Use

The ideal transport/storage rack for all departments; meat, bakery and deli, etc…
Designed to hold either
12”x 26” or 18” x 26” platters. On 2” angles, these heavy duty all welded racks are designed to maximize strength and durability.
A rounded “D” tube frame helps minimize user fatigue by fitting the natural shape of the hand.

Built To Last

Constructed of heavy duty aluminum extruded tubing and angles these units are guaranteed to last with a ***Lifetime Guarantee*** against rust and corrosion as well as a ***Five-Year Guarantee*** against material defects and workmanship.

Sanitary

Each unit is all welded with all seams fully welded and sealed providing a smooth, easy to clean surface. No cracks or crevices to trap dirt!
