PRODUCE/STOCKING CART

APPLICATION:
These all welded aluminum carts provide maximum strength and durability. The solid top carts have a marine edge to help contain spills. The T-Bar top carts provide air circulation.

MATERIAL:
Framework is constructed of 1 1/4”x1 1/4”x.070” wall tubing. Solid shelves are constructed with .080” aluminum sheet with raised marine edge. T-Bar shelves are constructed using 1 1/4”x2 1/4”x.100” wall T-Bar. Legs and handles are constructed out of 1 5/16” diameter pipe.

CASTERS:
These carts come equipped with 5” platform type casters.

GUARANTEE:
These carts carry a **Lifetime Guarantee** against rust and corrosion and also carry a **Five-Year Guarantee** against workmanship and material defects.
